DEALER PRODUCT GUIDE 2012-2013

MOZAEX™

ENTERTAINMENT SERVER

Configure the Perfect Mozaex System

This Dealer Product Guide includes all of the information you need to configure the perfect Mozaex system for your client. The companion **Mozaex Client Brochure** provides greater functional details of the Mozaex system. Mozaex offers the broadest selection of models and the highest level of quality available in the market today.

With Mozaex, your client will instantly enjoy their entire media collection from any room at any time including: Blu-ray and DVD movies; CD and MP3 music, Digital Photo slide shows and hundreds of online media channels including iTunes® and Netflix®.

Choose either a Player / Server System, All-In-One System or Music Only System

Select the system that meets your projects needs by following these 4 steps:

1. Select how many movie/music/other media playback zones you need. Consider the Sonnet for music-only zones or music-only projects.
2. Select how much storage you need and whether it needs to be RAID protected.
3. Select the remote control you desire – 1-Way IR Remote or a full 2-way Touch Panel.
4. Mix or match the Players with the audio / video output and enclosure that best meets the projects requirements.

Mozaex System Selector Guide				
Feature	Playback Zones	Max Storage Size and Type	Remote Control	Applications
Player / Server Systems	1 to 25	264TB Central RAID 6	1 and 2-Way	Large and Scalable
All-In-One Systems	1 to 5	16TB/12TB Non-RAID/RAID 5	1 and 2-Way	Small and Affordable
Sonnet Music Systems	1 to 25+	Uses Server Storage	1 and 2-Way	Add Music Players or Complete Music-only System

Mozaex All-In-One Chroma or Solo Series Selector Guide				
Feature	Enclosure	Video	Storage	Unique Features
Chroma Series	Compact	HDMI, VGA	1TB	7 lbs, Ultra Quiet
Solo 2 Series	Stylish, Expansive	HDMI, DVI, VGA (CV opt.)	4TB to 16TB	Large Media Storage
Solo 3 Series	Rugged	HDMI, DVI, VGA (CV opt.)	4TB to 8TB	Rack Mount, Direct IR Input

Server Selector Guide			
Feature	E Server	RAID Server	Server
RAID Support	RAID 6	RAID 6	NO
Removable Media Drives	(24) 3TB Drives per E Store	Up to (10) 4TB Drives	Up to (10) 4TB Drives
Media Storage Size	30TB to 264TB	6TB to 32TB	4TB to 40TB
Total DVD Movie Capacity	3,750 to 33,000	750 to 2000	500 to 2500
Total Blu-ray Movie Capacity	750 to 6,600	150 to 400	100 to 500
Player Licenses Included	25	25	10 or 25*

*Notes:

Media Storage Capacity: Actual storage capacity may vary. Average DVD size= 8GB · Average Blu-ray size= 40GB

Dual A/V: Playing movies with "dual" simultaneous video and/or audio outputs is not normally supported. Contact your Mozaex dealer if dual audio and/or video is required. Contact Mozaex if more than the standard 5, 10 or 25 Player licenses are required on the Solo, Chroma 1TB or the Servers.

Control Methods: "1-Way" control is controlling the Mozaex via the Mozaex TV User Interface using an IR or RF hand held or keyboard remote control such as the one included with the Mozaex system. "2-Way" control is controlling Mozaex using a 3rd party Touch Panel remote control that displays the movie and music cover art.

NetPlay: Some or all of NetPlay online services may not be functional or available in your area.

Copyright Disclaimer: Mozaex is for personal home use only of personally owned media. It is the sole responsibility of the user to obey all copyright laws. While Mozaex is only shipped with licensed decryption software used to play back optical DVD and Blu-ray® discs, it may not be able to load or play some or all DVD and Blu-ray movies. Mozaex does not make, ship, offer or induce the use of any unlicensed decrypting software on the Mozaex System.

The Entertainment System that's Modular, Flexible and Scalable

With its modular Movie/Music Media Players and Music-only Sonnet Players you can locate your Players however and wherever you want.

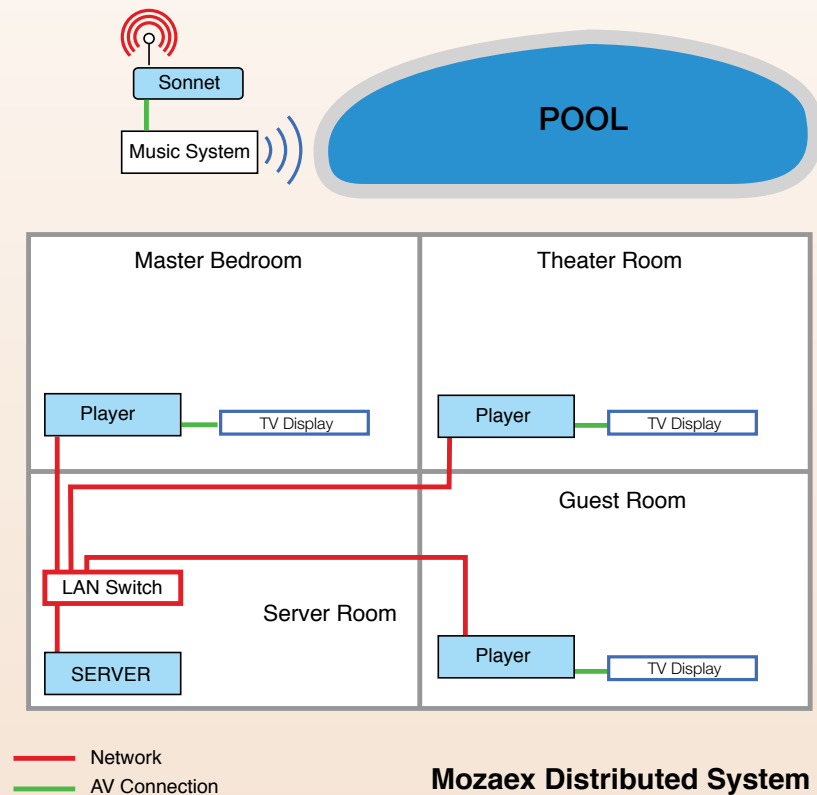

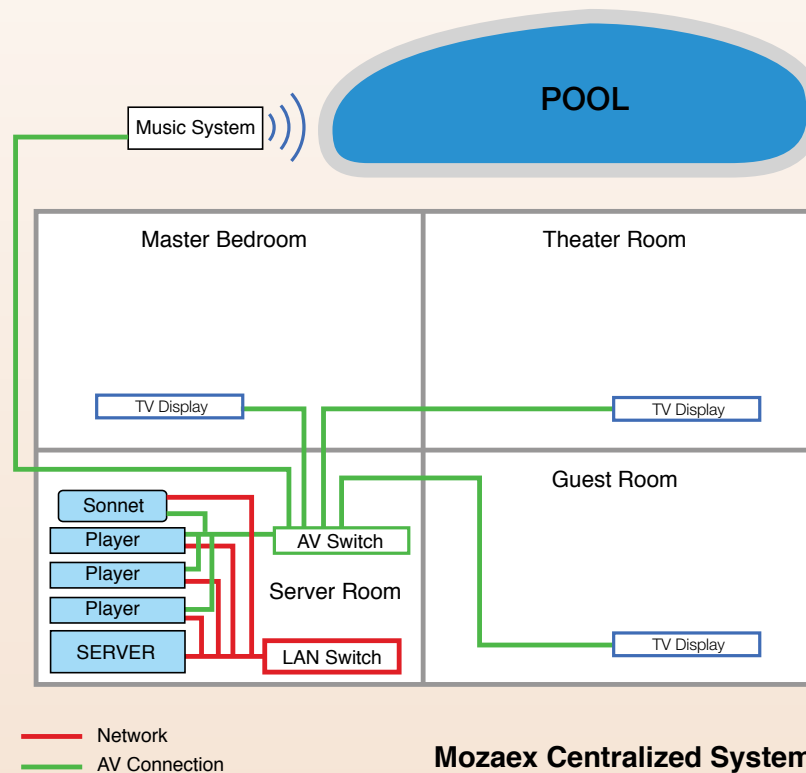

The Mozaex modular architecture allows you to use both Ethernet and A/V switches to send the data and audio/video signals to any room.

More Control, More Media, More Value

Mozaex offers more control, media and storage/zone expansion options than any other solution.

Plays All your Media in Any Room, at Anytime!

Player / Server Systems - Servers

Loads, Stores and Delivers Media to Mozaex Players

E Server

- ▶ Loads, Stores and Delivers Media to Mozaex Players
- ▶ Up to 264TBs of RAID 6 Media Storage

The Mozaex E Server is unprecedented in capacity, scalability, centralized management and reliability. Available with up to 264TB of RAID 6 Media storage utilizing multiple SAS storage sub systems

The E Server consists of a Main RAID Server plus up to four 30TB or 60TB RAID 6 E Store SAS connected sub systems.

Includes 25 Player licenses.

- ▶ 60TB per E Store sub system up to 264TBs of RAID 6 media storage
- ▶ Includes a RAID Server with a Blu-ray drive for loading movies/music
- ▶ Includes USB, a 17-inch Administration LCD monitor, and a keyboard
- ▶ 3Ware® email alert administration plus remote control system access
- ▶ Main Server or E Store Dimensions: 4U: 19" (W) x 7" (H) x 21" (D)
- ▶ Weight: Main Server + (1) E Store 60TB = 75 lbs. (Model dependent)

Example Configuration: The 128TB E Server shown above is configured with two 60TB E Store sub systems plus an 8TB Main RAID Server.

RAID Server

- ▶ Loads, Stores and Delivers Media to Mozaex Players
- ▶ Up to 32TBs of RAID 6 Media Storage

The Mozaex RAID Server offers both scalable storage capacity and protection. RAID 6 ensures that your media collection is fully protected in the event that 1 or 2 media drives fail. It is enclosed in a rugged 4U rack mount chassis and stores up to 32TB of RAID 6 media.

Includes 25 Player licenses.

- ▶ 6TB to 32TB of RAID 6 storage
- ▶ Includes Blu-ray drive for loading movies and music
- ▶ Includes USB, an 11-in-1 memory card reader for loading digital camera photos, a 17-inch Administration LCD monitor, and a rugged 1U rack keyboard
- ▶ 3Ware® email alert administration plus remote control system access
- ▶ Dimensions 4U: 19" (W) x 7" (H) x 21" (D)
- ▶ Weight: 40 lbs.+ (Model dependent)

Server

- ▶ Loads, Stores and Delivers Media to Mozaex Players
- ▶ Up to 40TBs of Non-RAID Media Storage

The Mozaex Server offers a more economical solution than RAID storage when RAID protection is not required. It is enclosed in a rugged 4U rack mount chassis and stores up to 40TBs of Non-RAID media storage.

Includes 10 Player licenses. A 25 Player license upgrade is available.

- ▶ 8TB to 40TB of Non-RAID media storage
- ▶ Includes up to 10 removable MediaDrive(s)
- ▶ Includes Blu-ray drive for loading movies and music
- ▶ Includes USB, an 11-in-1 memory card reader for loading digital camera photos, a 17-inch Administration LCD monitor, and a rugged 1U rack keyboard/mouse
- ▶ Dimensions 4U: 19" (W) x 7" (H) x 21" (D)
- ▶ Weight: 38 lbs.+ (Model dependent)

Player / Server Systems - Players

Plays and Loads Media to and from a Mozaex Server

Player 3 3D Player 3 CV

- ▶ Rugged Rack Mount Blu-ray Media Player

- ▶ Enclosure: Shelf Mount. Rack Mount Kit available.
- ▶ Dimensions: 11" (W) x 1.5" (H) x 7.36" (D)
- ▶ Weight (including power supply): 5 lbs.

Mozaex ... Beyond Entertainment

Mozaex was formed with the goal of delivering the world's finest and most reliable Blu-ray™ Entertainment Server. The company's founders introduced the first multimedia Server in 2004, plus the first Blu-ray and Blu-ray 3D Servers in 2007 and 2010. More recently in 2012 the company introduced the world's first Blu-ray 7.1 HD Headphones. Over the past 29 years the management team have delivered tens of thousands of media sharing solutions to companies such as Dell®, Gateway® and NEC® plus over 7,500 Media Players to hundreds of custom home electronic integrators. Combining elegant operation with uncompromised reliability and quality, Mozaex has quickly become the solution of choice for homes and yachts around the world. Mozaex is sold through a network of over 750 dealers that are serviced by 10 USA/Canadian rep firms and 20 international distributors in 27 countries.

Experience Mozaex today. Contact Mozaex or visit your local Mozaex dealer for a personal demonstration.
